

Attention: All SPinline Parents

We will be hosting a volunteer meeting at 7PM on June 1st at the Gibson Room in Millenium Place.

Another season is in progress and we are currently working on the year end tournament.

Our biggest challenge this season has been working around all the other events the county has scheduled into Millenium Place. This has squeezed our season on both ends with the loss of an entire week at the start of the season to a volleyball tournament and the loss of an entire week at the end of the season as the Ardrossan Grad was moved up.

The other huge challenge we have is in the area of **volunteers!**

We are short volunteers in several positions; the two most concerning are:

- President – Ross McDonald is stepping down at the end of this season – he will be available to mentor the next president
- Bullfrog director – we currently do not have a director for the Bullfrogs program; Kevin Sharp and David Filewich were kind enough to step into this role for the 2010 season; they have both firmly stated they will not be taking this on next season

There have been complaints this season; they include:

- Bullfrog tryouts are not posted properly and the tryouts are too late
- Schedules are not posted on the website
- The season starts too late and ends too early

Without parental involvement in the league, it is impossible to have a successful season. **WE NEED INVOLVED PARENTS!**

In the 2011 season we will also need Directors for each age group, an equipment manager, a web manager, a league scheduler and a year-end tournament director.

If you are interested in keeping our program going please take the time to attend this important meeting. Parents from all ages are encouraged to be involved.

Sincerely

Ross McDonald

SPINLINE President
